

Town Pastors (Ipswich) – PRAYER TEAM

One of the lessons we have learned is how vital effective prayer cover is for this initiative. We are therefore very keen to maintain a committed prayer team to support the Town Pastors on every occasion they are out on the streets of Ipswich.

Clearly to be most effective, the prayer cover needs to coincide with the times the Town Pastors are out. Therefore individuals on the prayer team will need to be willing to pray at times between 10pm and 4am on the weekend nights the Pastors are on duty.

There are two distinct 'streams' that members of the prayer team can opt for. Firstly we are seeking to recruit pray-ers who are willing to pray from their own home at particular times in the night. Secondly we are seeking those who could join with others (probably at a town centre venue) to pray during the night. This group would receive regular updates from the Town Pastor team.

The accompanying application form gives you the choice of which stream you would like to be part of. Once the application forms have been received the specific details regarding dates and time slots will be organised.

At this stage we are simply seeking to identify those who are willing to be part of the Town Pastor prayer team. Once this has happened we will contact you to let you know when the prayer team is meeting for a briefing and initial prayer time together.

Please prayerfully consider becoming a member of the Town Pastors Prayer Team. The first step towards this is to complete the application form below and return it to:
